

THE OFFICE OF NAVAL INTELLIGENCE

Irish Charlo - HVT

//DOSSIER//Irish Charlo

[EXCERPT BEGINS] 7/12/22: 8:14 Irish Charlo is an Insurrectionist from 2014 - 2016 was a primary member of the group known as exodus which had fallen apart, and died split up into a splinter cell known as Engin. Irish Chalo re-emergence into the halo community is interesting considering last time he was run off of halo. During the UNSC V Engin war back in 2015 notable accomplice is Arthur Fincher. He is a hvt target, and considered a threat however at this time of seeing him we are unaware of his goals or intentions, so more information is needed at this time. Last known report was Irish Charlo is banding together insurgent forces for something the question remains for what, and why.
